Supplemental Information on Petition for Revival Below.

On April 13, 2004, we instructed the PTO to draw funds from our Deposit Account (No. 502895) to pay the issue fee for Patent Application Ser. No. 09/662,507. We were told to fax our payment to FAX no. 703 308-6778. We did so on April 13. That is the FAX no. of the Patent Maintenance Branch rather than the issue branch. Patent Maintenance branch did not withdraw payment from our account. We next received notice of abandonment for non-payment of this fee.

We are now submitting a Petition for Revival of said Patent Application with payment of the issue fee and the petition fee. We authorize your taking payment from the noted account (see above).

We also enclose a copy of the Confirmation Report indicating payment of the issue fee for the noted patent application was tendered to the PTO and received on April 13, 2004. In light of this attempt to make payment of the issue fee in a timely manner, and PTO's proven receipt of our attempted payment, we request you to withdraw the notice of abandonment and arrange for the issuance of a patent for Ser. No. 09/662,507, and also waive payment of the revival fee.

Thank you for your assistance in this matter.
